Text for *Babal*

And all the earth!
Was one language!
One set of words!

Come, let us bake bricks and burn them hard...

Come, let us build us a city and a tower
With its top in the heavens
That we may make us a name
Lest we be scattered over all the earth.

Behold!
The people are one!
With one language for all!
If this is what they have begun!
Then nothing they plot will elude them!

Come!
Let us go down!
And baffle their language!
And scatter them over all the earth!

Therefore they called the city Babel;
Because it was there that the Lord made the language of all the earth babble,
And it was there that the Lord scattered them over all the earth.
