A LITTLE BIT GOES A LONG WAY

ESYO raises money throughout the year to support need-based scholarships. We refuse to turn away any qualified musician because of an inability to pay. These scholarships take the form of tuition assistance, and sometimes lesson and instrument subsidies. We ask you to consider a monthly donation to help a child who, without financial support, would not have the ESYO Experience—or often, any musical experience. Every bit helps! Donation options can be found below. Thank you for considering this option!

___ Yes! I would love to support a young musician through a small addition to my monthly payment plan and would like to make the following contribution:

___ I would like to make a one-time gift of \$_____
